DAUNTLESS GRACE

# Our Mission

## Who We Are

Dauntless Grace is a ministry that seeks to connect women to a meaningful story. Through conferences, retreats, small groups, a podcast, and coaching, we foster awareness of the broken stories women are living using the enneagram as a tool.

Awareness alone does not create transformation. Transformation is the result of living transparently in community and choosing to walk dauntlessly into the new story that God is writing.

# From our Directors

Deedra Mager & Megan Hall

Five years ago, we launched Dauntless Grace as an official 501(c)3 nonprofit ministry from the Rocky Mountains of Colorado.

It was surreal to gather with women from all across the country, some who stumbled across our ministry through a simple Google search, in the shadow of those same mountains this past November.

We didn't have every detail planned out back in 2016. We didn't know exactly where Dauntless Grace would reach, and we weren't sure how God would use it. But we knew that we had a message worth sharing, and we knew that if we continued to take one step after another, the Lord would lead us further into His plans.

As He's brought us new tools, like the enneagram, and new modes, like our podcast, we realize that we are nothing more than vessels to bring His glory and healing to His daughters.

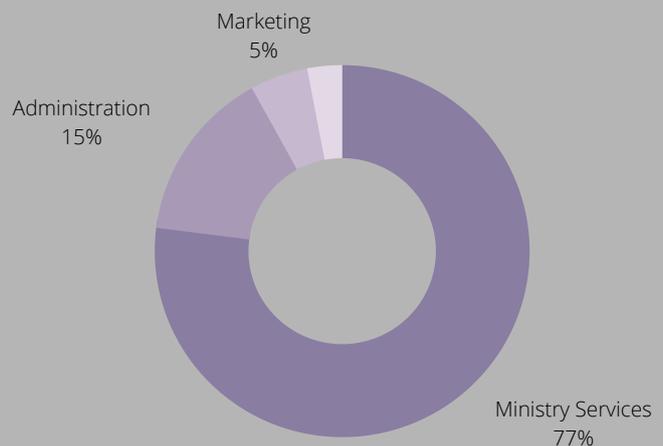

We have big plans for the future. We want to connect so many more women with God's story, but we surrender our plans to the One who writes them.

With hands held out, we move into 2022 and beyond.

“

From the moment I stepped foot in the door, I felt like family. I felt seen and loved, and I was able to share my story with more openness because it was such a safe environment to do so. It's powerful when God moves to heal the hearts of his daughters.
